

SEXUAL INNUENDOS PLAYING INSTRUCTIONS

"Women need a reason to have sex. Men just need a place."

WHO WOULD SAY SOMETHING LIKE THAT?

Sexual Innuendos is a humorous, fun, and easy to play card game. The object of the game is to correctly choose the celebrity that made the bawdy quote and score more points than your opponents. It will amaze you what came out of some of these celebrities' mouths!

SETUP & GAMEPLAY

First shuffle the Sexual Innuendo cards and place them conveniently in reach of all players then follow these easy to play steps.

1. Determine which player will have the first turn (whatever method you wish to use).
2. The player to Player 1's right picks the top card and reads the quote and possible answers (celebrity names) to all players.
3. Player 1 then decides to pick the celebrity who made the quote or ask for the hint. The hint is at the bottom of the card, below the celebrity names.
4. If the Player 1 selects the correct answer which is designated by an asterisk (*) after the celebrity's name without a hint he earns 5 points. If he used the hint and selected the correct celebrity 3 points are awarded.
5. If Player 1 is incorrect the Player 2 (player to his left) has a chance to earn 1 point by giving the correct answer. If Player 2 is incorrect the card is placed in a discard pile.
6. Play continues clockwise until a winner is determined. It will be Player 2's turn even if he earned 1 point from the previous card.

WINNING THE GAME

The Winner of Sexual Innuendos is the 1st player to earn 25 points.

Options: The winning point total can be adjusted if you want to play a longer or shorter game.

Enjoy the game!
