

**ULTIMATE**  
*Waifu*

**A CARD GAME FOR  
WEEABOO TRASH!**

# HOW TO PLAY ULTIMATE WAIFU

## SETUP:

- Separate all cards into three piles, Archetype Traits, Personality Traits, and Physical Traits
- Each player draws 2 cards from each pile.
- The player who most recently watched anime is declared the first Senpai.

## GAMEPLAY:

- Each player picks a combination of three traits from their hand to create the Waifu they think Senpai will like the best.
- Starting with the player to Senpai's left, each player reveals their chosen 3 traits one at a time.
- Senpai considers the choices before them and selects a winner.
- The winner gets 1 Waifu Point.
- The traits played this round are put into separate discard piles, for each kind of trait.
- The player to Senpai's left becomes the new Senpai, and the process repeats.
- The winner is the first player to get 5 Waifu Points.
